

The Lord Chancellor and the Bishop of Chichester seek to appoint a

Rector

to the United Benefice of St Anne, St Michael
and St Thomas at Cliffe, Lewes

This is a marvellous opportunity for a man or woman to immerse themselves deeply into the church, community, and civic life of this thriving, quirky and historic county town. The three churches of the benefice can offer their new rector a strong supporting team of clergy and lay people, committed worshipping communities, well-maintained historic church buildings and a history of local engagement.

We are looking for a priest who:

- will offer strategic and sensitive leadership;
- can discern and nurture the gifts of all;
- leads worship adeptly across our range of Catholic tradition;
- will build on our existing links to develop our mission and outreach;
- is of deep pastoral and spiritual sensibility;
- is an accomplished preacher and teacher;
- will use reflective theological practice to offer insight and guidance;
- is, ideally, a person with a love of music and the arts.

For an informal conversation, phone the archdeacon,
